Sermon Activity Sheets

Special Offering

Sunday's special offering is for **Resonate Global Mission in Lithuania**. Benjamin Groenenwold and Tricia VanDyk are philosophy professors at LCC International University in Klaipėda, Lithuania. LCC is a Christian liberal arts university that is uniquely placed to develop future leaders. Students come to LCC from more than 30 countries. Most students are not familiar with the gospel when they arrive and long for meaningful relationships and answers to their deepest questions. Through the Groenewold's commitment to Christian hospitality and conversation inside and outside of the classroom, they participate in the work God is doing at LCC of transforming and equipping students to be servant leaders in their own countries.
